Rotaractors linked closer to Rotarians?

- CoL 2016:
 - more flexibility to Rotary Clubs (meeting times, ways and places to meet, attendance requirements)
 - Dual membership: member of Rotaract Club and Rotary Club
 - Rotary Clubs and e-Rotary Clubs as equals
- CoL 2019:
 - Each club should celebrate diversity in membership
 - Making up an absence: within the Rotary year instead of 2 weeks
 - Removal of strict classification limitations
 - Rotaract Clubs may apply to become members of Rotary International
- RI Board Oct. 2019:
 - Decided to allow Rotaract clubs to organize without a sponsor or with a Rotaract Club sponsor
 - Removed the upper age limit of Rotaract
 - Strongly encourage Rotary districts to include Rotaractors in every district committee

Questions?
