

PolioPlus Update

Rotary

END
POLIO
NOW

CHALLENGES

- Detection of poliovirus in children and environment in Afghanistan and Pakistan
- Missed children: conflict, access, remote areas, mobile populations, rumors about vaccine safety, community fatigue
- Maintaining political commitment
- Securing financial resources
- Sustaining progress to-date
- Circulating vaccine-derived virus

ADDRESSING CHALLENGES

- Engage local community influencers, vaccinate at transit posts (bus stations, trains, toll booths), provide complementary services (water, nutrition)
- Sustain advocacy with political leaders
- Establish Hub in Amman, Jordan
- Continue fundraising-extended Gates agreement through 2023 (announcement at IA) and GPEI pledging moment in November 2019
- New oral polio vaccine to address cVDPV2
- Inviting Gavi to join Polio Oversight Board/partner of GPEI

POLIO GLOBAL ERADICATION INITIATIVE

BILL & MELINDA
GATES *foundation*

WHAT STILL NEEDS TO BE DONE

**Immunizing up to
450 MILLION
CHILDREN**
in up to 40 countries
every year

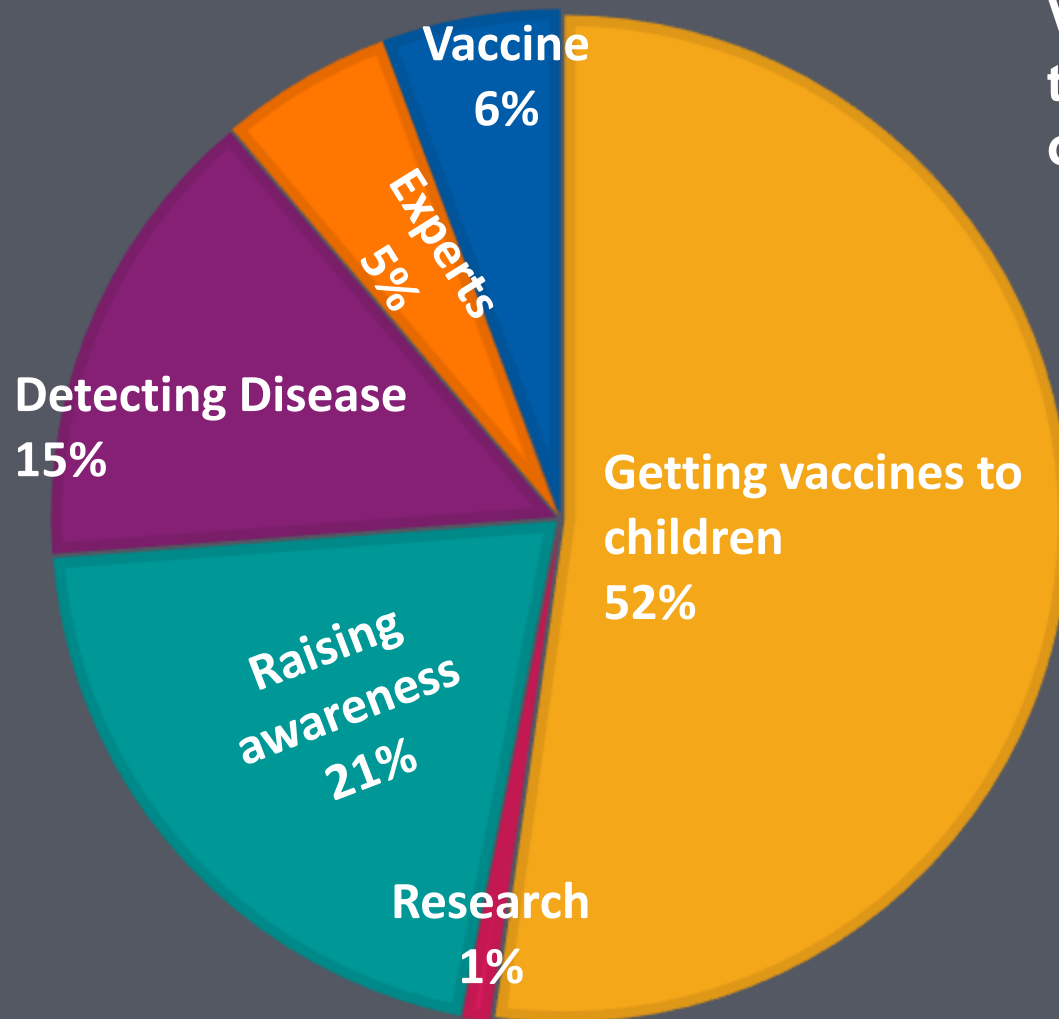

**Funding over
150,000
POLIO- WORKERS**
in up to 70 countries
annually

**Continuing
DISEASE
SURVEILLANCE
ACTIVITIES**
in more than 70 countries

HOW CONTRIBUTIONS WERE USED IN 2018-19

Disease detection activities in the African and Eastern Mediterranean regions

Vaccines to Afghanistan, the Democratic Republic of Congo and Kenya

Vaccination efforts: we provided over 85,000 mobile vaccinators in Pakistan in 2018

環島鐵騎、參與扶輪、根除小兒麻痺計畫
